Wave City A first of its kind project that truly personifies the concept of creating a city that thinks for you. Spread over an impressive landscape adjacent to National Highway , Wave City is one of India s largest Hi Tech City based on “Hi Tech City Concept”. Undertaken and promoted by “Uppal Chadha Hi Tech Developers Pvt. Ltd.”, the project focuses on creating an entirely new way of living with contemporary infrastructure and facilities. The city promises to offer a nurturing environment to its residents and is being developed to provide an entirely new living experience that will be unparalleled.

This mixed use destination focuses on quality construction, keeping in mind the contemporary design and new age architecture. With the luxury of green open spaces and modern infrastructure designs, the city ensures pampered, secure and luxurious lifestyle to its inhabitants.
